New Member Benefit Adds Piece of Mind for Renters & Housing Providers

(Crestview Hills, KY) The National Real Estate Investors Association (NREIA) and REIASure have announced a new partnership with Get Covered, LLC to provide additional insurance benefits to its membership nationwide. Get Covered offers an automated, simplified platform to help ensure participating commercial or residential clients purchase and maintain their insurance. The new benefit, primarily for housing providers (rental units etc) will be available to members of NREIA-affiliated groups located across the country.

Initially, Get Covered will offer Renters Insurance to NREIA members through a unique portal on both NREIA's and REIASure websites. Members can access this portal by visiting <https://reiasure.getcoveredinsurance.com>

"One of the many ways we add value to being a member of National REIA is through the essential benefits we provide. Our membership has found it increasingly beneficial to require renter's insurance when leasing a property, so this is a natural fit." Said Rebecca McLean, Executive Director of National REIA.

McLean further stated that *"by simplifying the process, the Get Covered platform makes it easy for tenants to access A-rated carriers to insure their personal property and gain a piece of mind – not only for the tenant but the housing provider as well."*
